**District Handbook for**  
**Students and Parents/Guardians 2009-10**  
**Agreement Form**

I have received and read the district handbook and understand what is expected of my child. I have sought clarification of any and all items I did not fully understand and am clear about the contents of the handbook. I have also reviewed the district handbook with my child and we understand the rules and regulations set forth by the Board of Education of Lakeview Public Schools.
