Medical Careers

Sports & Entertainment Mktg.

Television/Radio Broadcasting

Each of these programs is designed to prepare high school students for successful post-secondary studies and/or a broad range of employment and training opportunities immediately following high school. For further information about these course offerings and requirements for admission, please **contact your high school counselor** or call the Consortium Office at 586-435-1665. You may also visit our website at [www.semec-cte.org](http://www.semec-cte.org).

The South East Macomb Educational Consortium complies with all Federal laws and regulations of the U.S. Department of Education. It is the policy of the South East Macomb Educational Consortium that no person on the basis of race, color, religion, national origin or ancestry, age, gender, marital status, disability, or limited English proficiency shall be discriminated against, excluded from participation in, denied the benefits of or otherwise be subjected to, discrimination in any program or activity to which it is responsible for or which it receives financial assistance from the U.S. Department of Education. In addition, arrangements can be made to ensure that the lack of English language skills is not a barrier to admission or participation. Furthermore, the Consortium will encourage participation by all of the above. For information, contact the Consortium Office at 586-435-1665.
