## MEMORANDUM

---

Here is an overview of our 2007 Fall MEAP results along with a comparison to last year's MEAP results.

### MEAP 2007 Percent Proficient – Levels 1 and 2

Grade	Reading	Writing	ELA	Mathematics	Science
3	87	56	85	90	n/a
4	83	50	77	88	n/a
5	78	51	78	73	84

### MEAP 2006 Percent Proficient – Levels 1 and 2

Grade	Reading	Writing	ELA	Mathematics	Science
3	77	46	69	88	n/a
4	88	31	71	81	n/a
5	85	74	85	80	93

### Participation

Participation for AYP (95% tested) will be based on a composite percent assessed across all grades tested at a school. Students that do not have a valid score, including students tested with nonstandard accommodations, will not be counted as tested for AYP participation. I do not expect that this will affect Greenwood.

### Proficiency

AYP will be based on the composite percent proficient across all grades (3-6). 6<sup>th</sup> grade scores will be rolled back and figured into feeder school's AYP scores. Each school will have its own cut score that they must make based on previous year's scores.

### State Targets

The State targets for 2005-07 are 48% for ELA and 56% for Mathematics. For 2008-10 the targets will be increasing to 59% in ELA and 65% in Mathematics.
