

Harmon Elementary's Birthday Book Club

Celebrate your child's birthday with a permanent addition to Harmon's Library collection. Enroll with just a \$5 donation, a book will be inscribed with your child's name, birthday month, and grade.

Club books will be children's titles that have durable binding with an average cost of around \$15. Your donation will help defray the total cost and be added to the school library's permanent collection.

How the club works: Your child will select a book and inscribe his/her name on the inside cover. During your child's birthday month, your child will be the first to check out the book. After your child has read and returned the book, the book will be added to the library collection for other students to check out.

Enroll: \$5 Donation & below enrollment form are due by October 20th.

Circulation of book: birthday months of August, September, October, and November will checkout in November. Summer birthdays of June and July will checkout in May; all other birthdays will check out in the month of their birthday.

The more you read
The more you know

The more you know
The smarter you grow

The smarter you grow
The stronger your voice

When speaking your
mind
Or making your choice
