

Parent Involvement and Volunteerism

It's not just a PTO thing, it's a Parent thing!

Harmon Elementary School is home to over 325 amazing young students, a friendly and supportive staff, and a very active Parent Teacher Organization! Throughout each school year the PTO is responsible for arranging a variety of events and activities to enrich the learning environment for the benefit of each and every student here at Harmon. **Parent Involvement is the necessary foundation for building the strong, safe, supportive Harmon community our students want and need!**

By becoming actively involved in your child's school you will contribute to this success. Statistics show that students whose parents are involved in some way with their school have better grades and behavior, more confidence, and an overall more positive attitude towards school!

Our PTO provides many opportunities for parent involvement and volunteerism. Whether you help from home on your own available time, join a school club or committee, or staff one of the many events and activities during the year, your time and participation is greatly appreciated and adds to the level of success we strive to reach!

Be sure to look for these great volunteer opportunities to come home with your student or under the PTO link of the school website:

Thank you in advance for your support and participation, the success of our events and activities would not be possible without you!

Parents are welcomed and encouraged to contact our PTO with questions or suggestions at:

harmonparents@yahoo.com

We look forward to a fantastic year!
