

◆ **Early Entrance**

At the Early College of Macomb (ECM), 11th grade students enter a college program while still in high school.

They benefit from a curriculum that enables them to earn their high school diploma and attend a 13th year of school after graduation, earning an Associate's Degree with no cost to themselves for tuition, fees and books.

◆ **Early Exit**

Students in the ECM may complete the program with an Associate's Degree in three years (grades 11, 12 and 13).

Early College of Macomb students attend high school classes in their home schools, as well as career-focused classes on the Macomb Community College campus. Students engage in an exciting curriculum taught by both high school and college instructors that will move them ahead of a traditional schedule toward degrees or technical certificates that match the students' chosen career pathways.

◆ **Early Success**

Once students complete the program, they are poised for immediate success.

They may earn up to the 62 college credits required for their associate's degree or technical certificate. These credits may also be transferred to a four year college program. They have the option to begin work immediately in their chosen field, or continue with their education a year ahead of their peers toward a Bachelor's degree.

Who is eligible to attend the Early College of Macomb?

Mature, highly motivated students who are ready for the challenges of college coursework leading to high demand careers are eligible if they meet the following criteria:

1. Are registered in one of the Macomb County public high schools housed within the participating districts;
2. Will be entering 11th grade in fall 2012;
3. Have been approved by their home high school;
4. Have completed the Early College admission process, which includes MCC's placement testing and online early admission application;
5. Have submitted an application packet to the Early College of Macomb including: an application form, a Principal/Counselor recommendation form, a copy of the student's current transcript, a copy of the most recent standardized test results and the student's Educational Development Plan (EDP).
